

REMARKS

Claim 26 has been amended to provide antecedent basis. In response to the election of species requirements, applicants elect MTWSI as the scale and methyprednisolone as the additional agent. All pending claims read on both species. The election is without traverse.

If the Examiner believes a telephone conference would expedite prosecution of this application, please telephone the undersigned at 650-326-2400.

Respectfully submitted,

Joe Liebeschuetz  
Reg. No. 37,505
